

Pharmacy Department
Auto-notify Program Enrollment Form

Effective November 3rd, 2014

The Oklahoma City Indian Clinic Pharmacy is offering an **Auto – Notify** program for patients that receive medications from the pharmacy.

The system will send a notification (text or voice call) when medication is ready for pick up at the pharmacy. Notifications will be sent to patients who have opted in to the service and have prescriptions filled on or after November 3, 2014.

Patients may opt in (enroll) and provide SMS (text message) or voice call numbers.

Patients may opt-out at any time via voice call or text message or by calling the pharmacy 405-948-4900.

Please note: Standard text messaging or voice rates may apply.
